

technical data

		MAL-SMS-Compact 70/EVO IV/Elektro
dimensions, weight	unit dimensions max. L x W x H	2600 x 1700 x 2300 mm
	total height "ready to run" including handrails	3600 mm
	installation height	1300mm
	deadweight	4100 kg
	capacity of storage silo	approx. 500 l
electrical features	motor capacity	55 kW
	voltage	400 V, 50 Hz
suction capacity	max. underpressure	520 mbar
	air displacement at 100 mbar underpressure	2450 m ³ /h
emissions	separation efficiency	>99,995 %
	filter grade	H
