

# technical data

		blasting container MAL-SC-PJF-80-K-20
max. operator		1
dimensions, weight	unit dimensions: L x W x H	approx. 6300 x 2500 x 2438 mm
	total height "ready to run"	2500 mm
	installation height	200 mm
	deadweight	approx. 2500 kg
electrical features	motor capacity	10 kW
	voltage	400 V, 50 Hz
filtration capacity	air displacement at $\Delta p$ . 2680 Pa	4750 m <sup>3</sup> /h
emissions	separation efficiency	99,90%
	filter grade	M
