

technical data

		Typ PJF 100 + NF
dimensions, weight	unit dimensions: L x W x H	2070 x 1130 x 2200 mm
	total height "ready to run"	from 2150 - to 2520 mm
	installation height	from 210 - to 580 mm
	deadweight	900 kg
electrical features	motor capacity	5,5 kW
	voltage	400 V
filtration capacity	total differential pressure	2500 Pa
	air displacement at Δp . 2500 Pa	5500 m ³ /h
emissions	separation efficiency	< 0,1 mg/m ³
	filter grade	H13
