

technical data

		Typ PJF 660
dimensions, weight	unit dimensions: L x W x H	7150 x 2415 x 2650 mm
	total height "ready to run"	3960 mm
	installation height	1310 mm
	deadweight	6500 kg
electrical features	motor capacity	4 x 15 kW
	voltage	400 V
filtration capacity	total differential pressure	2500 Pa
	air displacement at Δp . 2500 Pa	39600 m ³ /h
emissions	separation efficiency	99,90%
	filter grade	M
